In the United States, Guided Reading is part of the Reading Workshop model of reading instruction. Shared reading is an activity whereby the teacher and students read from a shared text that is determined to be at their reading level. Leveled reading involves students reading from "leveled books" at an appropriate reading level. A student that ...

Inquiry-based learning (also enquiry-based learning in British English) is a form of active learning that starts by posing questions, problems or scenarios. It contrasts with traditional education, which generally relies on the teacher presenting facts and their own knowledge about the subject. Inquiry-based learning is often assisted by a facilitator rather than a lecturer.
